

Our family has been part of LMCC for the past six years, and it has truly become a special place for our family. Both of our children started when they were just two years old, and we've been so grateful to watch them grow up here.

Over the years, they've had many wonderful teachers who have cared for them with so much patience, kindness, and love. We've watched our children grow academically, become more confident and independent, and build wonderful friendships along the way.

They are now in the after-school program, and we're so thankful for the continued care and support LMCC gives them.

Looking back on the past six years, choosing LMCC was one of the best decisions we made for our children. We're incredibly thankful for all the teachers and staff who have been part of their childhood and for all the special memories they've made at LMCC.
